Enlarged Prostate Cured.

Marvelous Effect of a System That Cures Perfectly.

A Rochester Fireman Wins a Notable Victory.

Very much interest in fire department cfr very much interest in his department cir-cles has been aroused at Rochester, N. Y., by the recent cure of the enlargement of the prostate gland in the person of Capitain Ralph Pendlebury, Engine Company No. 7. Here-tofore enlargement of the prostate gland has been generally considered an incurable malady.

CAPTAIN RALPH PENDLEBURY.

CAPTAIN RALPH PENDLEBURY.

Captain Pendlebury had suffered with this disease for over two years. The obstruction to the flow of water was so great that it interefered with its duties, and he was a constant sufferer day and night. While reading the N. Y. Journal he saw the fact published that a business firm in Beston had a remedy called Solvent-Alterans, that would positively cure enlargement of the prostate gland, and the best thing about the treatment was this, that it was painless; was absolutely without dat,ger to the patient; he could work all the time; no knife or surgical instrument would be needed at all.

When a man is as bad as the Captain was he certainly would do just as he did; he obtained the remedy at once. The cost was only trifling in comparison with the results. His report is as follows: 'I used Solvent-Alterans for prostatic enlargement, with which I was afflicted for over two years very hadly, for one year, every time I caught cold it would be worse. When I came back from the National Encampment at Cincinnati, I had no passage at all, and went to the doctor for relief. I am glad I used Solvent-Alterans, as one bottle cured me, and I sm now in first-class shape. I think it is the greatest remedy ever found."

Afflicted men should know how Solvent-Alterans can cure them without any pain, without any operation, and with perfect asfety Send and get the free books that describe Solvent-Alterans, they will tell you all about it. It is not a patent medicine, the books at once, for fear you will forget the address; they will be sent you by mail free from all charge.
